For 22 years, the Los Angeles Neighborhood Housing Services (LA NHS) has worked with families throughout Los Angeles County to provide affordable housing, financial education, construction and real estate services, as well as affordable lending products.

LA NHS had served more than 1.6 million customers, developed more than 10,000 housing and commercial units, provided financial counseling to more than 90,000 families and reinvested more than \$1.7 billion back into neighborhoods throughout Los Angeles County.

I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS:

Proclaim June 3, 2006 as Neighborhood Pride Day in recognition of the services that LA NHS has provided to the residents of Los Angeles County.
